

Historic places are not relics.  
They are living resources.

JOIN OUR  
BOARD

*Leaving Significant Tracts  
for the Future*

CorpWell Foundation preserves and repurposes historic spaces to serve modern human needs — from community gathering to innovative aging-in-place models like OASIS.

## INVITATION

We are seeking mission-driven leaders to join our Board of Trustees and help steward preservation with purpose.

## WHY SERVE?

- Protect historic assets
- Advance OASIS and community-based innovation
- Ensure financial sustainability
- Expand donor and community relationships

## BOARD COMMITMENTS:

- Quarterly Meetings
- Serve on a Committee
- Support the Mission

*The places entrusted to us must do more than survive. They must teach, heal, connect & belong.*

*Ready to Make an Impact?*

## WHO WE ARE

Founded in the early 2000s, CorpWell Foundation operates at the convergence of:

- Historic preservation & adaptive reuse
- Education & cultural continuity
- OASIS – an innovative model supporting dignity and connection for older adults

Current preservation projects include:

- Chapel 1871, Clarendon, VT
- Sea Captain Foster Homestead, Brewster, MA

## SEEKING LEADERS WITH EXPERIENCE IN:

- Historic Preservation
- Nonprofit Leadership
- Fundraising and Development
- Finance
- Law
- Aging Services & Healthcare

## Board of Trustees – Invitation to Serve

*Leaving significant tracts — of place, memory, and human dignity — for the future..*

The CorpWell Foundation was founded on a simple but powerful belief: places matter—and when we preserve them, we preserve the people, stories, and communities they were built to serve.

Since the early 2000s, CorpWell Foundation has operated at the intersection of historic preservation, education, and community well-being. Through projects such as the Oasis Institute, Sea Captain Foster Homestead and Chapel 1871, the Foundation demonstrates that historic buildings are not relics — they are living resources capable of teaching, healing, and connecting communities.

Through preservation initiatives and innovative community-based programs such as the OASIS model, CorpWell Foundation ensures that historic places remain living resources that address modern human needs — including connection, dignity, and aging in community.

We are seeking Board members who are prepared to steward this long-view mission.

### What Board Service Means

Board members are entrusted with:

- Protecting historic assets and community trust
- Ensuring financial sustainability
- Advancing strategic vision
- Supporting leadership and governance excellence

Board service at CorpWell is about stewardship — not ceremony. It requires engagement, integrity, and a willingness to shape long-term impact.

### Expectations of Board Members

Board members:

- Provide financial oversight and strategic guidance
- Make a personally meaningful annual gift
- Participate in fundraising and relationship-building

### Serve As Ambassadors For The Mission

- Uphold fiduciary and legal responsibilities

- Support and evaluate the Executive Director
- Help guide preservation projects with a long-term lens

## **Ideal Board Members Bring**

- Commitment to historic preservation and adaptive reuse
- Interest in education, publishing, or aging-in-community innovation
- Governance, financial, legal, fundraising, or strategic expertise
- Collaborative spirit and sound judgment
- A belief that history should serve living communities

Board service is an opportunity to ensure that historic places remain economically viable, socially relevant, and deeply human-centered.
